The WorkPlace Group® Named Emerging RPO Leader

Florham Park, NJ – August 11, 2008 - The WorkPlace Group®, a leading global RPO provider and creator of the Multimethod-Multisource™ recruitment approach has been named as one of the Top 7 Emerging Leaders in the Recruitment Process Outsourcing space by HRO Today.

“This distinction puts us one step closer to achieving our vision of being most admired for our recruitment expertise, customer service and ability to generate real value for our clients” said Steven Lindner, Ph.D. , CEO of The WorkPlace Group.

The WorkPlace Group® family of companies (WPG), founded in 1997, provides customized recruitment outsourcing (RPO), project-hiring recruitment, contingent workforce management and professional temporary staffing services for all levels and functions across industries. Their services are provided globally with staff located throughout the world.

They are recognized as the creators of the Multimethod-Multisource Candidate Acquisition™ and WPG Candidate Assessment™ methodologies that significantly increase the quality of the candidate pool producing only interview-worthy candidates.

When combined with their scalable, on-demand team of recruiters, sourcers, assessors and support staff, clients have the capabilities and expertise to respond to the most demanding and unpredictable recruitment challenges.

WPG has earned its top 7 status as an Emerging RPO Leader from results of client surveys, quality of service, and scope of project wins. Based on this award WPG falls into the top 20 providers of RPO on a global basis.

HRO Today Magazine is read by more than 70,000 HR executives and leaders and covers the latest trends in HR outsourcing, services, shared services and operations. HRO Today tracks 45 RPOs on an annual basis.

We would like to extend our sincerest thanks to all of our clients who have chosen WPG as a solution to their recruitment needs and who have helped make our continued success possible. Through their partnerships we have been able to grow, adapt and fine-tune our multifaceted recruiting solutions model.
